In Loving Memory...

A compassionate guide to selecting a lasting tribute

At Mears & Jackson, we understand that choosing a memorial for your loved one is deeply personal and can be an emotional process. We want to assure you that during this time, we are committed to providing the support and guidance you need to make decisions that honor and celebrate the life of your loved one. We have carefully curated this brochure with the relevant information to help you find the perfect tribute.

We understand that this journey can be overwhelming, which is why our dedicated team is here for you every step of the way.

Whether you have questions about materials, customization options, or simply need guidance during the decision-making process, our compassionate and knowledgeable team is ready to provide the support you need.

No question is too small or insignificant - we are here to help you create the perfect tribute to your loved one.

Quality and customisation

Quality and customization are at the core of our offerings. Each memorial is carefully crafted using the finest materials, ensuring durability and timeless beauty. Our skilled craftsmen are dedicated to delivering exceptional craftsmanship that reflects the uniqueness of your loved one's life.

Materials

We use various materials including granite and natural stones such as nabresina, portland, sandstone or marble, to accommodate cemetery regulations. Discover the qualities and characteristics of each material, allowing you to choose the perfect memorial that resonates with your vision and captures your loved one's essence.

Sizes

Our memorials come in various sizes to accommodate different preferences and cemetery regulations. We can guide you in selecting the appropriate size to create a fitting tribute.

Inscription

Personalize your memorial with heartfelt inscriptions, engraved images, or symbols that hold special meaning. Our team can assist you in crafting a design that honors and preserves your loved one's memory.

We understand that you may have concerns and questions during this process. Allow us to address the most common ones:

Pricing

Our pricing is transparent, with a range that caters to all budgets. We are committed to providing fair and competitive pricing without compromising on quality.

The Process

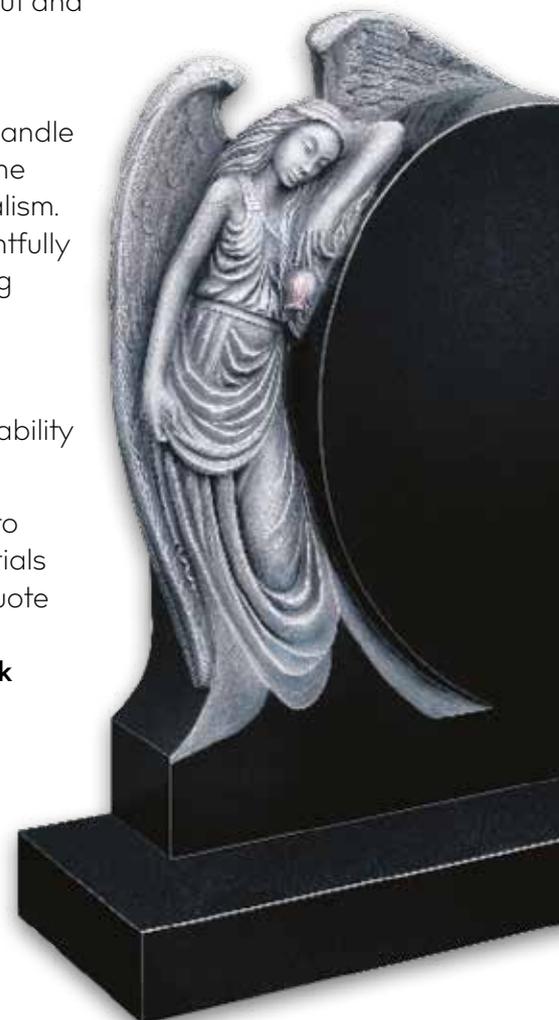

Our team has over 35 years experience creating lasting tributes for our clients. Our dedicated team will work on your behalf with third parties to handle every aspect of your memorial creation until completion, including the inscription layout and permit application.

Installation

Rest assured, our team will handle all aspects of delivery with the utmost care and professionalism. Your memorial will be thoughtfully transported to its final resting place and installed by our qualified and experienced NAMM and BRAMM fitters, ensuring its durability and stability for generations to come.
